- Overview / Introduction of organization:

Mighty Grace Valor Community Church Incorporated is Christian (Born Again) church which is defined as “an assembly” or “called-out ones” is not that of a building, but of people - body of believers.

Though it is local church or community church as the name carries, of the genuineness of faith we are a “universal” church where everyone has a personal relationship with Jesus Christ. And who have received salvation through faith in Jesus Christ alone.

As a community church is where believers can fully apply the “body” principles of 1 Corinthians chapter 12—encouraging, teaching, and building one another up in the knowledge and grace of the Lord Jesus Christ.

- About / History / Nature(Para asan, ano ba ang ginagawa) / Mission What we do, Objectives, Goals, What for, Advocacy, etc. :

· History

October of 2014, we started Bible studies in different houses up until first Sunday of March 2015 we held our first Praise and Worship service at Marilao Grand Villas Subdivision clubhouse under the name of Universal Pentecostal Church. We operate under said name of the church for two or few years then the leadership then decided to part way with UPCI and be an independent church for varied reasons. 2017 we name the church Sola Gratia Community Church MGV, Incorporated and registered it to Security and Exchange Commission and Bureau of Internal Revenue. Said name did not last as we wanted it to be because of reason that some of the pioneering members form a group of their own within the organization and want their ways to be followed which cannot be. These people decided to look for church where they will fit in and began to ridicule our church and as of to date remains the same. To protect the church from further damage coming from the mentioned people we opted to change the name of the church, then we file for change of name in SEC we have it Mighty Grace Valor Community Church Incorporated.

The existence of the church is not self-willed desire but it came to birth through the grace and will of God. Like many other churches the ultimate goal is to share the gospel of our Lord Jesus Christ. That our lives are all about God. The church advocates the way to inherit the eternal life promised of God is through our relationship with God and religion. The attitude of faith of the church is by grace believing church, Triune God believing church and Bible believing church.

· *Nature*

- As a church, we adhere to the mandate or what God instructed us to do – to make disciple to all nation (Matthew 28:16-20). Concept of Christian theology that refers to Jesus Christ's final instruction to his disciples before ascending to heaven. It essentially outlines what Jesus expected the apostles and those who followed them to do in His absence. The Great Commission compels us to share the good news until everyone has heard.
- To glorify God is to honor Him with praise or worship. God is glorious; that is, He is great and magnificent—He is exceptionally grand in His nature and deeds.

Scripture makes our responsibility to glorify God evident from cover to cover. Method of worship:

- give praise to the Lord
- proclaim the greatness of God's name
- tell the whole world what God has done
- sing to the Lord
- glory, or exult, in His name)
- rejoice in Him • seek out the Lord and trust in His power (verse 11)
- remember all the Lord's mighty deeds
- ascribe glory and strength to Him. To ascribe is to think of as belonging, as a quality or characteristic; thus, we regard the Lord as possessing glory and strength.
- bring an offering to God
- worship the Lord
- give thanks to God for His goodness and love
- cry out to God for deliverance
